Dear Ms. Goode:

Based on the excellent work that Mr. Sam Harrell and the professionalism of Urban Education Solutions I have nothing but praise and the highest recommendation for their work. For the past three years Mr. Harrell and his Associates at Urban Education Solutions have consistently supported the educational, entrepreneurial, and workforce development prongs of the Urban League Movement. Urban Education Solutions have consistently shown dedication and commitment to all that they endeavor to do.

Mr. Harrell, and the entire Urban Education Solution staff, have acted as advocates for urban youth. I have watched in awe as Mr. Harrell expended an inordinate amount of time, phenomenal effort and untold personal financial resources so that many deserving young people might have the opportunity to reach for the stars and the dreams that have been instilled in them by Urban Education Solutions.

I know that as a Program Developer, Mr. Harrell is unwavering in applying himself to fulfilling his commitments. I know that he would be as asset to your organization.

Therefore, without any reservations I highly recommend Mr. Sam Harrell and Urban Education Solutions. If you are in need of any additional information please do not hesitate to contact me at 219/887-9621.
